ABOUT VENACHAR LOCHSIDE

Venachar Lochside is an award winning wedding venue that sits on the beautiful breathtaking banks of Loch Venachar.

The loch is located in the heart of The Trossachs, five minutes from the popular tourist town of Callander and one hour from Glasgow.

Set in an idyllic & beautiful location, Venachar Lochside boasts one of the best views in Scotland, which guarantees the perfect backdrop for your special day.

We specialise in planning & delivering weddings from as little as two to one hundred day guests.

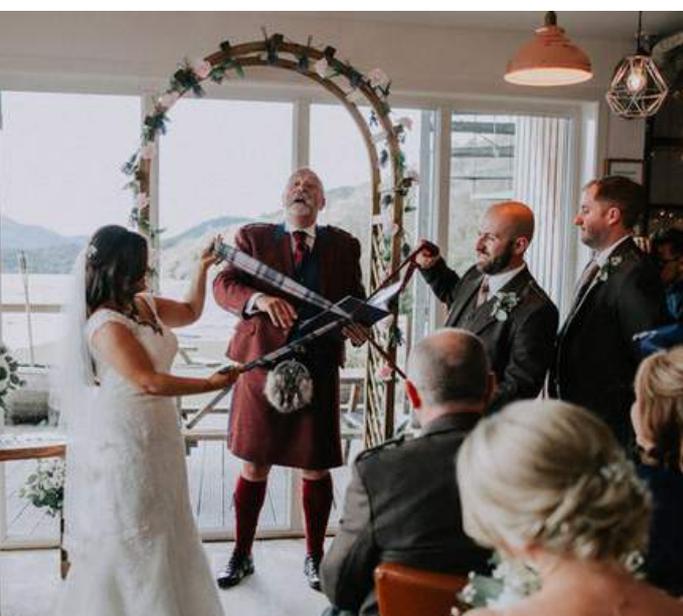

THE CEREMONY

Here at Venachar Lochside we have a selection of ceremony spaces, all with stunning views of the loch and with exclusive use, you can choose to get married anywhere within the venue or grounds.

If it is a dry or sunny day, many of our couples opt to get married on one of our outdoor areas such as the decking or the lawn.

Alternatively, the downstairs reception area provides a 180 degree glass front view of the loch. This versatile ceremony space can be laid out in your preferred style and can hold up to 100 guests. Our knowledgeable and experienced wedding team will be on hand to support you throughout your planning and on your wedding day.

From the initial viewing through to the day of your wedding, we will be there every step of the way.

When it comes to food, we want all our wedding couples and their guests to enjoy the best that Scotland has to offer.

Each plate that leaves the kitchen not only has to taste great but look amazing.

Our handpicked choice of caterers & chefs have devised a wonderful choice of delicious dishes for you to choose from.

LOVE AT FIRST BITE...

"The food was absolutely amazing, cooked to perfection and they catered to all special diets.

Everyone raved about the quality of the food and one of the things people always remember about at weddings is the meal.

Our guests also mentioned how hard working and helpful the staff were, they went above and beyond to get whatever we all needed

Thank you for such an amazing day"
